## What To Do If You Find A Mistake On Your Cash App Afterpay Online Checkout Statement

If you think there is an error on your statement, or if you have questions about your account, you can:

- a. Contact us through the app:
  - Open your profile and tap Support
  - Tap Payments
  - Tap Report an issue
  - Select the payment and chat with support
- b. Call us at 1-800-969-1940.
- c. Write us at Cash Disputes, 1955 Broadway, Suite 600, MSC 211, Oakland, CA 94612.

Please contact us as soon as possible after the error appeared on your statement. You must contact us within 120 days after the error appeared on your statement.

In order for us to investigate your claim, you will need to provide:

- Your name and Account information (including \$Cashtag, email, and/or phone number)
- Why you believe there is an error
- The dollar amount involved
- Approximately when the error took place

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

## Your Rights If You Are Dissatisfied With Your Cash App Afterpay Online Checkout Purchases

If you are dissatisfied with the goods or services that you have purchased with Cash App Afterpay Online Checkout, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- a. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.  
(Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- b. You must have used Cash App Afterpay Online Checkout for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- c. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically as described above in the section called "What To Do If You Find a Mistake On Your Cash App Afterpay Online Checkout Statement."

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
